

Reconstruction and Restoration of Architectural Heritage (RRAH 2021)

March 24 —→ 27, 2021

CHECKLIST FOR AUTHORS

RRAH 2021 authors submit their papers in English according to the [template](#) and [sample article](#).

Please check the list of the RRAH 2021 proposals submission files and requirements:

- **File 1** - Your article in **doc/docx** format designed according to the [template](#) and [sample article](#).
 - ! The maximum number of pages of the two column paper is 6.
 - ! The article title should not exceed 12 words.
 - ! The maximum number of keywords is 5.
 - ! One author can submit maximum 3 papers as the first author or co-author.
 - ! The maximum number of authors per 1 article is 4.

Your *article doc file* should be named as follows: first 3 initials of the author family name_initials of the first 3 words of the paper title.doc

Example: First Author's family name: *Schmidt*

Proposal title: "*Reconstruction of Architectural Heritage*"

In this case the correct File1 name would be: *sch_rah.doc*

- **File 2** - Your article in **pdf** format
Your *article pdf file* should be named as follows: first 3 initials of the author family name_initials of the first 3 words of the paper title.pdf

Example: First Author's family name: *Schmidt*

Proposal title: “*Reconstruction of Architectural Heritage*”
In this case the correct File1 name would be: *sch_rah.pdf*

- **File 3 – Consent to Publish & Transfer of Copyright (CtP)** in *.pdf* format using the provided form, dully filled and signed. File 2 must be named as follows: *first 3 initials of the author family name__ctp.pdf*
- **File 4 – Permission Verification Form (PVF)** in *.pdf* format using the provided form, duly filled and signed. File 3 must be named as follows:
first 3 initials of the author family name__pvf.pdf

Once your article is ready and designed according to the template, please upload your article in **doc/docx** and **pdf** file and CtP and PVF forms as **pdf files** separately to the [EasyChair](#) platform **till January 31, 2021** (new date).

Each paper submission will consist of 4 files (3 pdf and 1 doc/docx). The files can be added using “*Upload files*” button in the right corner of the screen on the page of your submission. Please add the required files separately clicking this button till you can see that all the files are shown on the screen and were correctly attached.

! Please note that the articles submitted without the CtP and PVF forms or not designed according to the template will not be accepted.
